

Who Are We?

We're a large general practice operating from two sites, the main being Weston House Practice based in St Paul's Medical Centre and a branch Surgery located in Hatherley.

With a large care navigation team dedicated to signposting the appropriate care our average call wait time in 2025 was just 2 minutes and 6 seconds with 94.44% availability!

Practice Vission Statement

Weston House Practice aims to provide high quality needs-sensitive, timely and appropriate primary healthcare to all our patients within a supportive, multi-disciplinary team, which reflects on performance, facilitates learning and is open to change. In addition, alongside recognising the needs of the business, we aim to preserve the health and wellbeing of all members of the Practice team.
